Member cover to: 02/02/2027

This letter confirms that the above-named member is covered under the Axis Membership Insurance Policy. This cover is a complimentary benefit provided by Axis to qualifying members.

Axis is a UK charity (www.axisweb.org) that supports artists through resources, opportunities, and community. We are independent and member-powered, and not in receipt of public funding. This insurance is one of the ways we back our members to pursue their creative work confidently.

What's Covered

This insurance covers the member while working as an artist, maker, curator or art worker across the visual arts. It includes activities such as:

Art projects, exhibitions, events (including art and craft fairs), residencies, socially engaged and participatory projects, public art, commissions, performances, residencies, talks, workshops, education, research, studio practice and the presentation and installation of work.

All cover is subject to the terms of the Axis membership policy and applies only while the member's subscription is active.
